

CONCRETE BLOCKS

Our Products

Our concrete block products provide a proven and familiar building solution. All our concrete blocks undergo rigorous quality control testing and comply with current National Standards and IS EN 771-3:2011.

JOHN GANNON CONCRETE LTD

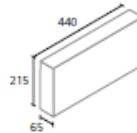

CONCRETE BUILT IS BETTER BUILT

We stock a full range of concrete blocks to suit all domestic and commercial projects. Our concrete block products are strong, durable, versatile and provide excellent sound insulation and fire resistance.

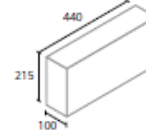

With our range of Dense and Lightweight Aggregate Blocks, you are certain to find the building solution you need. Our blocks can be used with confidence in a wide variety of internal and external applications. Our quality assured manufacturing process ensures that our products are of a consistent and superior quality, meeting the requirements of all relevant European and Irish Standards.

Our central location means our products can be delivered at competitive prices nationwide.
